

Pampered Pet Center, Inc.
Medical Care Release

The welfare and safety of your pet(s) is of the utmost importance. If a medical emergency should arise while your pet is attending our facility, it is critical that we are able to provide medical treatment quickly.

Upon a medical emergency, the Pampered Pet Center will first contact the owner of the pet(s). If the owner is unable to be reached, the Pampered Pet Center will then attempt to contact the emergency contact person on record. If at the time of the emergency, the Pampered Pet Center is unable to reach either contact person, the Pampered Pet Center will obtain the best veterinary service for the pet(s) for treatment. Our goal is to get your pet(s) medical attention as quickly as possible. For that reason, it is a requirement to have all pet parents sign this form.

By signing below, I/we grant Pampered Pet Center, Inc. and/or its agent's full power of decision concerning the care and well being of my pet(s).

I understand that in the event of a medical emergency, the Pampered Pet Center at its sole discretion deems to need the immediate attention of a licensed veterinarian. I authorize the Pampered Pet Center to seek medical attention for my pet(s) from a licensed veterinarian. I further agree that I am financially responsible for any medical treatment my pet(s) receives as a result of a medical emergency while attending Pampered Pet Center, Inc.

I further attest that if I am not the sole owner or representative of the pet(s) subject to this Medical Care Release, that my signature is sufficient to enter into this Medical Care Release for and on behalf of any other owner or representative.
